GAIN MORE KNOWLEDGE!!

WE’RE BRINGING COMBUSTION SAFETY TRAINING TO YOU

ATLANTA!

WHEN
February 18 & February 19, 2014

CEC is offering two separate one-day training combustion safety workshops.

The workshops are a packed full day of useful knowledge for you to take back to your facility and reduce the risk of fires and explosions.

WHAT
1-Day Combustion Safety Workshop

The workshop will help you create a safer work environment and keep you in compliance with legally required training codes and standards.

WHERE
Sheraton Hotel
165 Courtland St NE
Atlanta, GA 30303
(404) 659-6500

Click here for room rates

WHO
Anyone who wants fundamental basics to build on. This includes personnel who operate, maintain, and especially those who supervise or manage personnel related to combustion equipment.

Meet & Greet with other professionals attending the event at our “night before” receptions.

KNOWLEDGE IS KEY!

Human error is the #1 cause of combustion-related explosions! Training is not optional; it’s code!

IT’S TIME TO GET BACK TO THE BASICS.
